

CHEW! ON THIS!

THE COST OF **FOOD INSECURITY**

A free public talk with

Dr. VALERIE TARASUK, PhD, University of Toronto

In Peterborough, 1 in 4 households with children under 18 years of age experience food Insecurity.

People with severe food insecurity have double the health care costs.

Limited Incomes are the root cause of poverty.

IT'S TIME FOR A NEW APPROACH

Tuesday October 6, 2015 — 7:00pm to 8:30pm
Peterborough Lions Centre, 347 Burnham Street

Join us in marking the International Day for the Elimination of Poverty and World Food Day 2015 with this engaging discussion on the true cost of food insecurity in our city.
